

ELECTRIC STORAGE WATER HEATER SERIES

CHAMPION — ER/ES (V)

Legendary classics of water heaters in traditional round shape with bio-glasslined inner tank coating with strong corrosion resistance.

Bio-glasslined inner tank BIO

Mechanical control

Steel outer casing

Heat loss proof

Power cord included

5 years inner tank warranty

Safety. Bio-glasslined coating protects the inner tank from corrosion and provides its resistance to temperature changes.

Easy to use. The mechanical controller helps to make the settings literally in one motion.

Economical. High-density thermal insulation made of polyurethane foam allows you to keep hot water longer without additional waste of electricity.

Design. Modern stylish body in a classic white color.

Thermometer

A universal mounting bracket
